WELCOME MESSAGE

Greetings from the Pediatric Section of the Criticare 2010 Congress!

We warmly welcome you to the city of Hyderabad in February 2010. An exciting and informative Pediatric Programme on 'Pediatric Critical Care' has been incorporated as part of the Criticare 2010 Conference scheduled to commence very soon. The programme is preceded by two concurrent workshops followed by a two day programme encompassing the latest hot topics in Pediatric Intensive Care in contemporary times. We are confident you will enjoy the excellent academic deliberations with renowned faculty over three days at one of the finest convention centers in India at HICC, Hyderabad. State-of-the-Art facilities coupled with traditional Hyderabad hospitality, not to mention the famous cuisine of the nawabs beckons you....

With Warm Regards,
